

Gaal perfect candidate

To the editor:

Chris Gaal has the breadth of experience making him the candidate uniquely qualified for judge of the Monroe County Circuit Court II. He has served in both the legislative and executive branches of local government and currently interacts in significant aspects of the judicial branch.

His position of prosecutor has allowed him to observe and participate in major decisions impacting this community and the criminal justice system.

Chris Gall has devoted one aspect of his professional life to the administration of justice and principled participation in local governmental affairs and another aspect to community service at large. His leadership roles in the implementation of Susie's Place Child Advocacy Center and the Mental Health Court serve to illustrate this valued community involvement.

His more than twenty years of practicing law as both a defense attorney and a prosecutor and his extensive experiences in civil and criminal law are a strong foundation for continued service to the community as a judicial officer.

I urge your support for Chris Gaal in the forthcoming primary election.

James L. Kennedy
