

Gaal fair and impartial

To the editor:

I am proud to support Chris Gaal for Monroe County Circuit Court Judge, Seat 2. I have known Chris since he began his legal career in Monroe County more than 20 years ago.

Early on, we practiced in the same firm, where I saw firsthand his dedication to his clients and his unmatched work ethic. He has amassed diverse legal experiences essential to serve the community effectively as a judge: civil law in private practice (family, personal injury, contracts, immigration) and criminal defense, including as a public defender. He has served in the prosecutor's office for half of his career and has conducted major jury trials.

Chris embodies principles of progressive community leadership mirroring his broad experience. He has a proven record of supporting community initiatives and helping to build collaborative partnerships, such as the Sexual Assault Response Team and the Child Advocacy Center. He has supported and improved Adult Protective Services and works collaboratively with Debra Morrow of Middle Way House. He listens to people and treats them respectfully.

Having dedicated his career to public service, Chris will be a fair and impartial judge. He will work diligently to ensure equal justice for all. Vote for Chris Gaal for Judge!
