

Gaal will be Great Judge

To the editor:'

We have known Chris Gaal for more than 20 years, and we believe he will be an outstanding Monroe County judge. Chris has extensive experience in civil law as an attorney in private practice, and in criminal law as the county prosecutor. In addition, he has broad knowledge of community issues. As prosecutor, he has actively participated with many community groups addressing different public concerns such as homelessness. He has also taught a law course at the Kelley School of Business, where he was a popular instructor.

Chris Gaal has our vote for County Judge Monroe Circuit Court 2.
