

Gaal easily the best

To the editor:

In this time of national doubt about the quality of our public servants, Chris Gaal stands out as the obvious choice for judge, Monroe County Circuit Court 2. No other candidate can begin to approach his past record of public service, from his beginning as an elected member of the Bloomington City Council to his long, distinguished practice of law in so many capacities. His most recent stint, as Monroe County Prosecuting Attorney, was what I have come to expect: An office much improved for his having led its way.

He makes our choice so easy: Chris Gaal for Judge, Monroe County Circuit Court 2.
